

Key Stage 5: Report Summary 2016

Although the January report offers detailed information on progress the final attainment grade is not a prediction of AS/A2 performance. Subject marks that contain a Coursework element are provisional and subject to internal standardisation and CCEA moderation.

Report includes Coursework or Practical Component	
Art	The report mark is based on all work to date.
Health and Social Care	The report mark will represent 67% coursework (to date) and 33% examination to reflect the weighting between coursework and examination at AS.
Moving Image Arts	The report mark is made up of 30% examination and 70% coursework to date.
ICT	The report mark is made up of 60% examination and 40% coursework (to date) at both AS and A2 level.
Software Systems Development	The report mark is made up of 50% examination and 50% coursework (to date) at both AS and A2 level.
Technology	The report mark is 50% examination and 50% coursework. At A2 Level the report mark is 50% AS examination, 25 % A2 Coursework and 25% A2 examination.
Chemistry	The report mark at AS will be 80% examination and 20% practical exam. The A2 result will be 100% examination
