6. The responsibilities of pupils

It is the responsibility of our pupils to make themselves aware of the Uniform Regulations. These are available on the school website. Pupils should understand from these regulations

- the correct uniform to be worn, and,
- the correct way in which the uniform should be worn.

Pupils should also be aware that failure to follow these Regulations may lead to disciplinary sanctions, which are outlined at the end of this Policy.

The position of School Prefect is one of responsibility and as a role model the way in which they wear their uniform must be exemplary. Consequently, a student who fails to follow the Regulations will not be able to hold the position of School Prefect.

7. The responsibility of parents

Parents/guardians should be familiar with the uniform regulations provided annually by the school and should facilitate their child/children in obtaining the correct uniform items.

Parents are expected to support the school in its insistence that their son/daughter follow the Regulations. If disciplinary action proves necessary, then parents will be expected to support the school in the enforcement of whatever action is deemed necessary.

8. The responsibility of staff

The Form Staff will ensure that the pupils in their form are made aware of the contents of this Policy.

It is the responsibility of all staff to familiarise themselves with the Uniform Regulations as issued annually to parents.

It is expected that all staff will help to ensure that the Uniform Regulations are followed. Consequently, the class tutor and the classroom teacher will both play a role in this regard. The procedures to be followed are as follows:

9. Procedures to be followed when a pupil fails to wear the correct uniform

- 1 Any member of staff may and should address the pupil regarding their failure to follow the Regulations. If, within a reasonable length of time, the pupil fails to address the matter or indeed refuses to accept the request, they should be referred by that member of staff to the Head/Assistant Head of Year.
- 2 The Head/Assistant Head of Year will then meet the pupil and give the pupil a reasonable amount of time to adhere to the Regulations. As this is a second intervention the pupil will be issued with an appropriate sanction. If the pupil subsequently fails or refuses to correctly address the matter the pupil's parent(s) will be contacted by the Head of Year.
- 3 If the problem persists the Vice Principal (Pastoral) will contact the parent(s) and notify the Principal. Should the matter remain unresolved the Principal will deal directly with the situation. Parent(s) may be asked to attend an

interview with their child and/or there may be a request for the pupil to remain at home until a satisfactory resolution has been achieved.

10. Procedures to be followed when a pupil fails to wear the uniform correctly

- 1 Any member of staff should address a pupil regarding their failure to wear the uniform properly. If, in the opinion of the member of staff, the failure to follow the rules is deliberate, the member of staff will log this on the Behaviour Management record as a UNIFORM infringement. No additional sanction is necessary. However, the member of staff should insist that the pupil rectifies the problem immediately and inform the pupil that they have logged the matter.
- 2 The Head/Assistant Head of Year will monitor the Behaviour Management Record. Three occurrences of a UNIFORM infringement will lead to an appropriate sanction. Pupils will be aware that the rule of 3 is applicable to all disciplinary matters, including uniform.

11. The House System

Each of the school Houses is identified by the colour of stripe on the school tie; this reflects our efforts to build a sense of pride in House membership. The House Captains and House prefects act as positive role models for younger pupils.
