

THE WALLACE HIGH SCHOOL

A warm Wallace welcome to Year 8!

In the table below you will see an overview of all the activities we have organised for you as the first stage of your induction. Further details of each activity can be found at www.wallacehigh.org

Try to do as many as you can this afternoon!

If you don't have all the materials you need, perhaps you will return to this page and try some more over the next few days?

Don't forget to take pictures or videos of everything you achieve this afternoon!

Good luck! 😊

Activity	What do I need to do?
<p>What's Your Name?</p> 	<p>Watch Mrs Black's video https://youtu.be/QCkptbVOxYs</p> <p>Mrs Black explains how to use the letters of your first name to talk about your personality, your interests or your appearance. Do your family members agree with your description?</p>
<p>Mathematical Snake</p>	<p>As you solve each question, the answer will feed into the next problem.....can you reach the end with the correct answer?</p> 
<p>Post Beans on Toast Challenge</p> 	<p>Who can create the fanciest beans on toast using plain bread, a tin of baked beans and one other ingredient?</p> <p>Send your photos to abittle@wallacehigh.net and we will announce the winning dish on our social media accounts!</p>
<p>Our Famous Geography Quiz</p> 	<p>You won't feel part of Wallace until you have a go at Miss McKee's infamous weekly quiz! This week's password is 'sunny'.</p>

<p>Getting Creative with Scratch</p> 	<p>How are your computing skills? Want to get ahead for your first term at Wallace?</p> <p>Complete this simple Scratch tutorial and then animate the letters 'WHS' for Wallace High School!</p>
<p>Engineering Challenge: Design and Build a Helicopter!</p>	<p>This paper helicopter task from Dyson only requires a piece of paper, some scissors and a paper clip!</p>  <p>Can you make your helicopter fly?</p>
 <p>Lockdown Bingo</p>	<p>There are 12 challenges on the Modern Foreign Languages Lockdown Bingo grid.</p> <p>Who can complete two or three of these? Or more?</p>
<p>Chemistry in Your Cupboard: Making Icecream</p>	<p>https://youtu.be/-JcNMN0uvvE</p> <p>Watch this short video and then have a go at making your own chocolate icecream!</p>  <p>All you need is chocolate milk, salt, some ice cubes, two Ziplock plastic bags.... and patience!</p>
<p>Was 'Big School' always like this?</p> 	<p>Imagine you are a journalist and your job is to interview a parent, aunt, uncle, grandparent about their experience of 'Big School.'</p> <p>Can you Zoom them to find out?</p> <p>Maybe they were pupils at Wallace too!</p> <p>Perhaps they were taught by some of your teachers?</p>
<p>Do you know how to make a hand?</p> 	<p>Not a real hand of course! This activity shows you how to make a 'hand' out of drinking straws, paper or thin cardboard (like an old cereal box), string and some sticky tape!</p> <p>Your articulated hand will amaze your family and confuse your pets! Why not decorate it too?</p>

<p>Finger print characters</p> 	<p>https://www.tate.org.uk/kids/make/paint-draw/draw-fairy-tale</p> <p>If you have any paper and paints or ink pads at home, then have a go at finger printing and then recreate some of your favourite characters from a film or a book!</p> <p>What about adding some features to your thumb print characters and see if your family can guess who they are? Will they be able to recognise themselves or your friends?</p>
<p>Are you ready to take the Egg Drop Challenge?</p> 	<p>Can you build a contraption to allow you to drop an egg without it breaking? There are five options for you to try!</p> <p>https://youtu.be/nsnyl8llfH4</p> <p>Mrs Crozier has suggested you throw the egg (in its contraption) up in the air as hard as you can and see what happens when it lands.</p> <p>Do NOT try this without an adult beside you!</p> <p>Stay safe!!</p>
<p>Win points for your House!</p> 	<p>Complete the word search and email one of your Heads of House to win points for your House before you even arrive at Wallace!</p> <p>afrey@wallacehigh.net ddsimpson@wallacehigh.net</p>

Don't forget to keep a close eye on our website www.wallacehigh.org
and encourage an adult at home
to follow us on Facebook and Twitter!
