

Hello Year 8

We are looking forward to teaching you Home Economics, a subject that most of you will not have studied before. We are excited about the many practical lessons we have planned.

For your virtual induction today, we are setting you a fun task.

'THE POSH BEANS ON TOAST CHALLENGE'

Let's see who can create the fanciest beans on toast? We are talking fine dining beans on toast! Send your photos by email to abittle@wallacehigh.net and we will vote for the winning dish.

Rules: use only tinned baked beans, standard pan loaf toast, butter and one other ingredient of choice. Be creative with your presentation!

Please ask your parents/guardians to like/follow our Nutrition, Food Science & Health department social media accounts (use links below) where the winners are announced.
